Hugo Perez, Trece Martirez City

### SUMMARY

A motivated fresh graduate of Bachelor of Science for Computer Science with a strong foundation in database design, management, programming and testing. Has experienced in building and maintaining structured, efficient databases for web-based applications. Eager to gain hands-on experience as a fresh graduate, apply technical skills to real-world projects, and contribute to innovative software solutions while continuously learning and growing in the tech industry.

### EDUCATION

#### BS in Computer Science

Lyceum of the Philippines

Universty - Cavite

2022 - 2026

### TECHNICAL SKILLS

- Python
- PHPmyAdmin
- Java
- Git
- Flutter/Dart
- GitHub
- MySQL
- PostgreSQL

### CERTIFICATION

#### Information Technology Specialist Certification (Database)

Certiport - 2024

#### Certified Artificial Intelligence Professional (CAIP)

East West IESI - 2026

### LANGUAGE

- English
- Tagalog

### EXPERIENCE

#### CS Intern (QA Tester)

June 2025 - September 2025

Cyware Incorporated | BF Homes, Parañaque

- Performed functional, regression, and usability testing on mobile/web apps (loyalty systems and reservation platforms), identifying and documenting defects
- Executed end-to-end test cases and validated core user flows, improving system reliability
- Designed UI prototypes and enhancements using Figma
- Managed datasets and supported basic database operations using Apache tools
- Collaborated with developers to reproduce issues and verify bug fixes in an Agile environment

### PROJECTS

#### HarvestCrops

HTML, CSS (Bootstrap), PHP, PhpMyAdmin, MySQL

- Developed an agricultural e-commerce website as part of a software engineering project
- Designed UI/UX layouts and interface structure for improved user experience
- Designed, created, and managed the system database using MySQL and phpMyAdmin

Role: UI/UX Designer, Database Designer & Manager

#### HerbaScan

Dart (Flutter), Python, SQLite, Supabase, RailwayTFLite

- Developed a mobile AI-based plant identification system as a thesis project
- Performed QA testing including test case execution, bug identification, and system validation
- Mostly assisted in documentation of system requirements and testing results

Role: QA Tester, Documentation
